

Nomination Form for the World Sustainability Award

1. Nominator's Details

Title and Name

Position &
Institutional Affiliation

Phone number

Email Address

Website (optional)

2. Nominee's Details

Title and Name

Position &
Institutional Affiliation

Phone number

Email Address

Website (optional)

3. Nominee's Achievement

A short description explaining why the nominee should win the award:

Large empty text area for describing the nominee's achievement.

3. Nominee's Achievement

How the nominee's work addresses at least 2 pillars of sustainability:

A detailed description highlighting their contribution that would merit receipt of the World Sustainability Award. The description must refer to the importance of the work, its impact, and its projected influence, as well as its measurable achievement by the time of the nomination.

(Continue this description on the next page if necessary)

(Space for further description of nominee's contribution highlights)

A large, empty light blue rectangular area intended for the nominee's contribution highlights.

3. Nominee's Achievement

Evidence of impact of the nominees research:

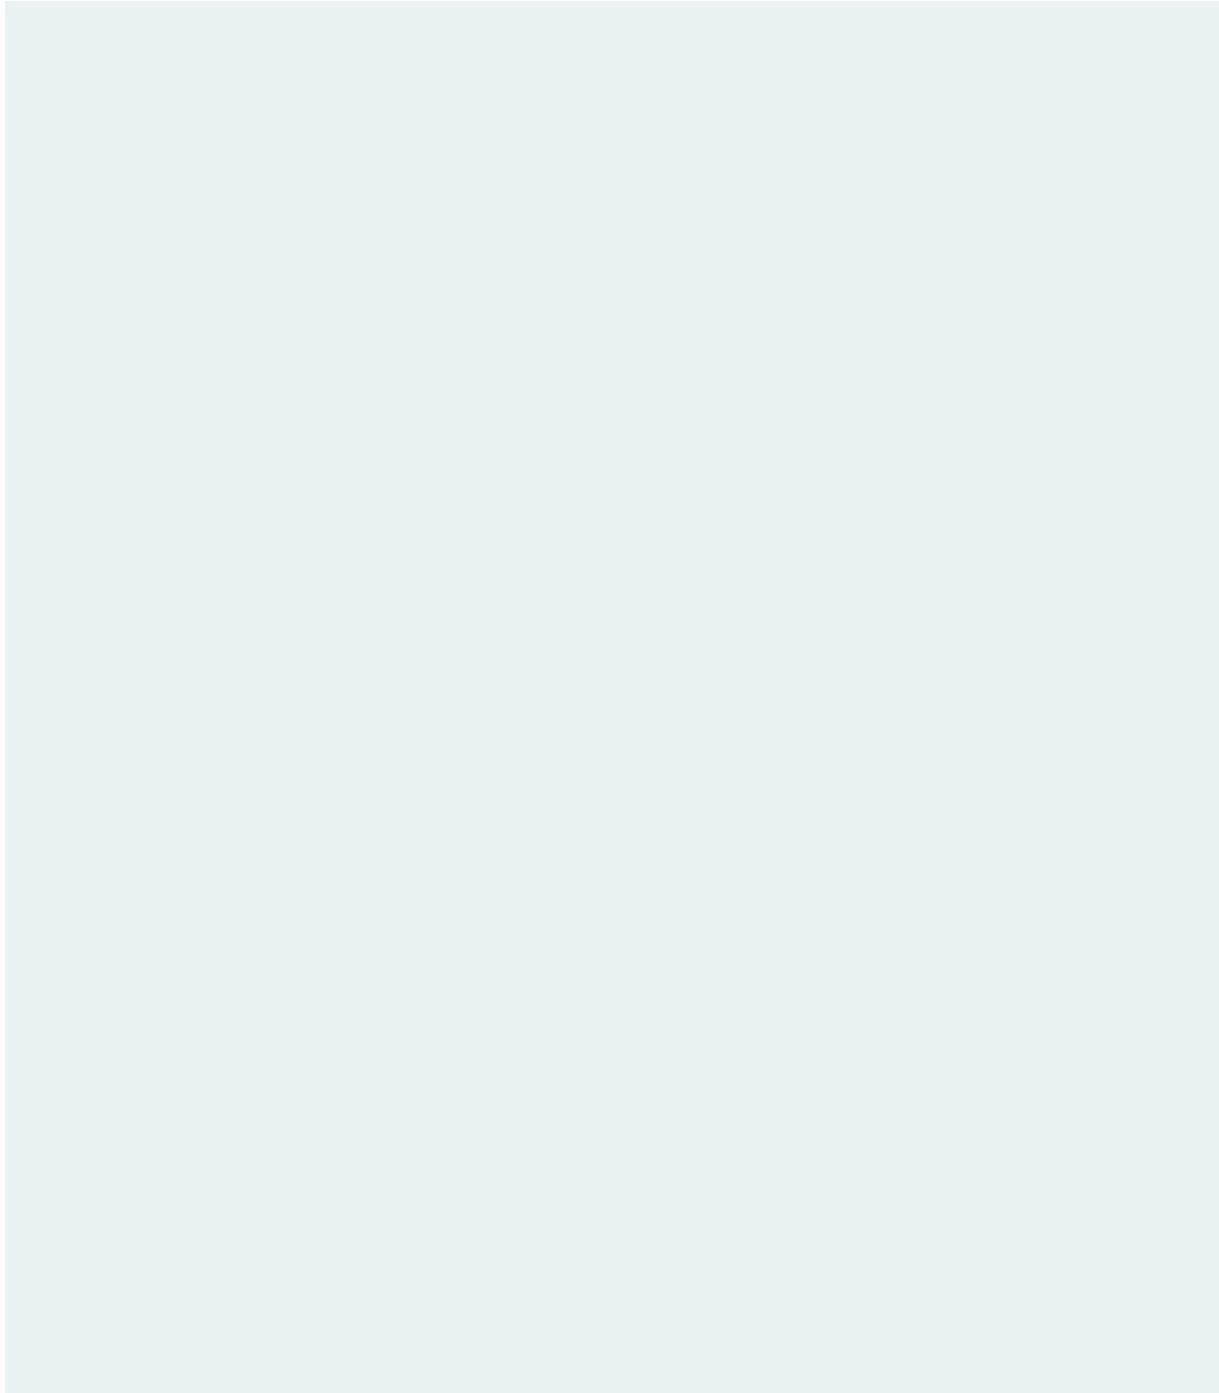

A large, empty light blue rectangular area intended for the nominee to provide evidence of the impact of their research.

Please attach the nominee's detailed CV, including a list of their most relevant publications, clearly identifying those that are open access, together with a list of funded projects from the last ten years.

4. Other Relevant Information

Looking forward to
your nomination!
